TRAINING COURSES

RSES members enjoy many outstanding opportunities to participate in chapter-sponsored training programs.

Five comprehensive training programs, as well as a shop course, are offered through local chapters:

- Refrigeration/Air Conditioning
- Electrical
- Heat Pump
- Heating
- Controls

Many RSES Chapters continually conduct courses throughout the year. Any RSES Chapter member is entitled to enroll in a course and will receive a diploma signifying successful course completion, as well as Continuing Education Units (CEUs).

Please return your completed application to your local Chapter contact at:

If you don't know of an RSES Chapter in your area, you may forward your completed application to RSES Headquarters, 1666 Rand Road, Des Plaines, IL 60016-3552.

The RSES Journal individual subscription price (\$18 per year) is included in membership dues, as is the mailing of about six SAM chapters each year (\$40+ retail value). Members may not deduct the subscription price from dues. Refrigeration Service Engineers Society dues are not deductible as charitable contributions for federal or state income tax purposes. To determine if such payments are deductible as a business expense, consult your tax advisor. **Membership fees are not transferable or refundable.**
